About Us

As **Ebdaa Co** Our Main company was first conceived in 2015 and was formed in 2016 with Saudi participation , with emphasis on transfer of know-how. **Ebdaa Furniture** was created to meet our high standard for Wood and WPC products demanded by national and international contractors, with optimum solutions for our problems.

We have determined to achieve the highest excellence in production standards and compete openly with imported products, and we have been successful. The long list of Projects we have handled is evidence of our **SUCCESS**.

Our Aims and Objectives are to provide unique sales and support services in all aspects of the wood and WPC products. This Philosophy forms the basis of **Ebdaa Co** growth and development ensuring that our trading relationship continues to be mutually beneficial. We have created a reputation for quality and integrity whilst always maintaining a competitive position.

Ebdaa Co provides comprehensive **General Contracting** services for residential, commercial, and industrial projects. Our scope of work includes building construction, civil works, electrical works, plumbing systems, mechanical, electrical and plumbing (MEP) services, HVAC systems, interior and exterior finishing, gypsum works, painting, flooring and tiling, aluminum and glass works, landscaping, infrastructure works, maintenance services, and all related construction activities.

With an experienced team of engineers, project managers, and skilled professionals, we are committed to delivering turnkey solutions that meet the highest standards of quality, safety, and efficiency. Every project is executed with precision, on schedule, and within budget, ensuring complete client satisfaction and long-term value.

Our Aims and Objectives

At **Ebdaa Co**, our aim is to deliver integrated, high-quality solutions in wood manufacturing, WPC products, and general contracting. We are committed to providing innovative products, exceptional craftsmanship, and reliable construction services that meet the highest standards of quality, safety, and customer satisfaction.

Our expertise extends beyond woodwork to include complete construction and fit-out solutions, covering general contracting, residential and commercial building construction, civil works, electrical works, plumbing systems, mechanical, electrical and plumbing (MEP) services, interior and exterior finishing, gypsum works, painting, flooring and tiling, aluminum and glass works, landscaping, and all related construction activities.

Driven by innovation, professionalism, and continuous improvement, we strive to build long-term partnerships with our clients by delivering projects on time, within budget, and to the highest quality standards. Our philosophy has established **Ebdaa Co** as a trusted name recognized for integrity, technical excellence, competitive value, and a commitment to exceeding client expectations in every project we undertake.

The extensive portfolio of successfully completed projects stands as a testament to our capabilities, reliability, and commitment to delivering outstanding results. Every project reflects our dedication to quality, timely execution, customer satisfaction, and building long-term partnerships based on trust and excellence.
